Instructions

As part of statewide efforts to prevent identity theft, California law requires this office to issue 2 different types of certified copies: **authorized** and **informational**. Both types are certified copies of the original document on file with our office.

An **authorized certified copy** establishes the identity of the registrant (the party to the marriage identified on the certificate). Only individuals who are authorized by Health and Safety Code section 103526 can obtain an authorized certified copy of a marriage record. (Part 2 of the application identifies the individuals who are authorized to make the request.) Applicants requesting an authorized certified copy must complete the **Sworn Statement**, declaring that they are eligible to receive the authorized certified copy. The Sworn Statement must be notarized if the application is submitted by mail, fax, or online. **Certified copies of confidential marriage records are only available to registrants of the confidential marriage.**

All other individuals are issued an **informational certified copy**, which is marked: "INFORMATIONAL NOT A VALID DOCUMENT TO ESTABLISH IDENTITY." **Informational certified copies cannot be issued for confidential marriage records.**
